

[Autodesk Memento For Mac](#)

A screenshot of a web browser displaying the Autodesk Memento website. The browser's address bar shows 'memento.autodesk.com/try-memento'. The website header includes the Autodesk Memento logo and the word 'beta'. The main content area is titled 'DOWNLOAD MEMENTO' and features two columns for Windows and Mac. Each column has a circular icon with the OS name and a downward arrow, followed by the build number. Below each icon is a 'System Requirements' box with detailed specifications for operating system, CPU, graphics hardware, memory, storage, and pointing device.

**WIN**  
Build 1.6.0.3
